Hi (b)(4)

We appreciate you reaching out; however, I will need to defer any contract-related questions with us to our Contracts team.

If there is anything technical you want to discuss wrt the (b)(3), please let me know SEPCOR.

Thanks!

(b)(6)

Let us know when you are ready to start this process—aware of the time it may take to finalize this, and want to be ready to execute as intended.

Glad to discuss anytime.

Regards,

(b)(4)

Let me know if your contracting team has any questions on the follow on activity for (b)(3)

I am conscious that the goal was for a 1 October start for the program, and I want to make sure your team has all the info you need.

Including our legal contracts team, (b)(4) and Neysa, on this email.

Thanks,

(b)(4)
